About this Document

This Subscription Agreement is the legal instrument by which a prospective investor applies to become a Class B Member of Injury Pro Management Fund X LLC, a Nevada limited liability company (the “Company”). Executing this Agreement evidences the investor’s commitment of capital, the investor’s representations and warranties to the Company and its Manager, and the investor’s agreement to be bound by the Company’s Operating Agreement.

This document is one component of a three-part subscription package. The other two components are (i) the Know Your Customer (KYC) booklet, which collects investor identity, contact, and wire information, and (ii) the Private Placement Memorandum (PPM), which describes the Company’s business, the terms of the offering, and the associated risks. All three documents must be read together. Capitalized terms used but not defined in this Agreement have the meanings given to them in the Operating Agreement and the PPM.

You may complete this Agreement electronically. Each underlined field is a clickable text input; each checkbox is toggled by a single click. Once complete, save the document and return it, together with your executed KYC booklet and the applicable IRS tax form, to the Manager at the address listed on the Subscription Instructions page.

Nothing in this Agreement constitutes legal, tax, or financial advice. Prospective investors should consult their own counsel and advisors before subscribing.

Ladies and Gentlemen:

This subscription agreement (together with the Investor Data Sheet contained in the Know Your Customer booklet, collectively referred to herein as the “Subscription Agreement”) is made by and among Injury Pro Management Fund X LLC, a limited liability company organized under the laws of the State of Nevada (the “Company”), InjuryPro Services LLC, a limited liability company organized under the laws of the State of Nevada and the Manager of the Company (the “Manager”), and the undersigned individual or entity (the “Investor”) who is hereby applying to become a Class B Member of the Company (a “Class B Member”), on the terms and conditions set forth in this Subscription Agreement and in the Operating Agreement of the limited liability company (as amended from time to time, the “Company Agreement”), copies of which have been furnished to the Investor. Capitalized terms used but not defined in this Subscription Agreement have the meanings set forth in the Operating Agreement.

1. Subscription

1.1 The Investor hereby irrevocably subscribes for a Class B membership interest (an “Interest”) by making a Capital Contribution of the subscription amount set forth on the Signature Page hereof (the “Subscription Amount”) on the Closing Date, in accordance with the terms of the Company Agreement. The Subscription Amount shall be contributed to the Company in cash on or before the Closing Date. The Subscription Amount may be contributed in kind in the discretion of the Manager. For purposes of this

Agreement, “Closing Date” means the date, if any, on which the Investor is admitted to the Company. The Company has entered into and expects to enter into separate subscription agreements (the “Other Subscription Agreements”) with other investors (the “Other Investors”), providing for the sale to the Other Investors of Interests and the admission of the Other Investors as Limited Partners. This Subscription Agreement and each of the Other Subscription Agreements is a separate agreement, and the sales of Interests to you and the Other Investors are separate sales.

1.2 The Investor acknowledges and agrees that the Manager will notify the Investor in writing as to the acceptance, in whole or in part, or rejection of the Investor’s subscription for an Interest. An Interest will not be deemed to be sold or issued to, or owned by, the Investor, until the Investor’s subscription is accepted by the Manager.

As a condition precedent to the acceptance by the Manager of this subscription, the Investor hereby ratifies, adopts, accepts and agrees to be bound by all the terms and provisions of the Company Agreement, as the same may be amended hereafter in accordance with its terms, and to perform all obligations imposed on a Class B Member thereunder. For the avoidance of doubt, the Investor hereby agrees that by signing this Subscription Agreement, the Investor is also executing the Operating Agreement. The Investor acknowledges and agrees that Interests in the Company will not be issued until such time the Manager has received and is satisfied with all the information and documentation requested to verify the Investor’s identity. Where, at the sole discretion of the Company, Interests are issued prior to the Manager having received all the information and documentation required to verify the Investor’s identity, the Investor shall be prohibited from redeeming any Interests so issued, and the Company, or the Manager on its behalf, reserves the right to refuse to make any withdrawal payment or distribution to the Investor, until such time as the Manager has received and is satisfied with all the information and documentation requested to verify the Investor’s identity.

1.3 The Investor acknowledges and agrees that the Manager reserves the right, in its sole discretion, to reject this subscription for an Interest, in whole or in part, at any time prior to the Closing Date notwithstanding execution by or on behalf of the Investor of the Signature Page hereof or notice from the Manager of its conditional acceptance of the Investor’s subscription for an Interest.

1.4 If this subscription is rejected in full, or in the event the Closing Date applicable to the Investor does not occur (in which event this subscription shall be deemed to be rejected), this Subscription Agreement shall thereafter have no force or effect. In such event, the Manager shall cause the Investor’s funds deposited in the account of the Company to be returned to the Investor without interest or deduction. If this subscription is rejected in part, the Manager shall cause the Investor’s funds deposited in the account of the Company that are equal to the rejected portion of the Investor’s Subscription Amount to be returned to the Investor without interest or deduction.

2. Representations and Warranties of the Investor

The Investor hereby represents and warrants to, and agrees with, the Manager and the Company that the following statements are true as of the date hereof and will be true as of the Closing Date applicable to the Investor and as of each date on which the Investor makes any additional capital contributions to the Company:

2.1 The Investor is subscribing for an Interest in the Company (i) for its own account or (ii) for the account of a Person or Persons for whom such Investor acts as agent, custodian, intermediary, nominee, trustee or in any other similar representative capacity (with the identity of such Person or Persons disclosed to the Manager in writing, which writing is returned with this Subscription Agreement), solely for investment and not with a view to resale or distribution thereof. "Person" means any individual, partnership, corporation, joint venture, trust, business trust, limited liability partnership or company, cooperative or association. The Subscription Amount is not being borrowed from, or otherwise financed by, the Company or any third party, and the source of the Subscription Amount is the Investor's own assets.

2.2 The Investor acknowledges that (i) the offering and sale of the Interests have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act") and are being made in reliance upon U.S. federal and state exemptions for transactions not involving a public offering; and (ii) pursuant to Section 3(c)(1) or Section 3(c)(7) of the United States Investment Company Act of 1940, as amended (the "Investment Company Act"), the Company will not be registered as an investment company under the Investment Company Act.

2.3 In connection with the purchase of an Interest, the Investor meets all suitability standards imposed on it by applicable law. The Investor is not structured or operated for the purpose or as a means of circumventing the provisions of the Investment Company Act. If the Investor is a corporation, limited liability company, trust, partnership or other entity, then the Investor represents and warrants that: (i) the Investor was not formed for the specific purpose of acquiring the Interest and (ii) the Investor's Capital Commitment does not constitute, and after the Closing Date applicable to the Investor will continue not to constitute, more than 40% of the combined amount of the Investor's total assets and committed capital. If the Company relies on the Section 3(c)(7) Exemption and the Investor is exempt from registration under the Investment Company Act pursuant to Section 3(c)(1) or 3(c)(7) thereunder, then the Investor represents and warrants that: (i) all of the beneficial owners of the Investor's outstanding securities (other than short term paper), as determined in accordance with Section 3(c)(1)(A) of the Investment Company Act, who acquired such securities of the Investor on or before April 30, 1996 (collectively, "pre-amendment beneficial owners") and (ii) all of the pre-amendment beneficial owners of the outstanding securities (other than short-term paper) of any company that is exempt from registration under the Investment Company Act pursuant to Section 3(c)(1) or 3(c)(7) thereunder that directly or indirectly owns the securities of the Investor, have consented to its treatment as a "qualified purchaser" (as defined in Section 2(a)(51)(A) of the Investment Company Act and the regulations issued thereunder).

2.4 The Investor represents and warrants that all of the answers, statements and information set forth in this Subscription Agreement (including the Investor Questionnaire and the Tax Forms) are true and correct on the date hereof and will be true and correct as of the date, if any, that the Manager accepts this Subscription Agreement, in whole or in part. The Subscriber agrees to notify the Manager promptly of any change that may cause any answer, statement or information set forth in this Subscription Agreement to become untrue or misleading in any material respect, and to provide such additional information that the Manager requests from time to time and deems necessary.

2.5 The Investor has been furnished with, and has carefully read, the Confidential Private Placement Memorandum of the Company (together with any supplements or amendments thereto issued through the date hereof, the "Memorandum"), and has been given the opportunity to (i) ask questions of, and receive answers from, the Manager or any of its Affiliates concerning the terms and conditions of the offering of Interests and other matters pertaining to an investment in the Company and (ii) obtain any additional information necessary to evaluate the merits and risks of an investment in the Company that the Manager can acquire without unreasonable effort or expense. In considering a subscription for an Interest, the Investor has evaluated for itself the risks and merits of such investment including the risks set forth under the caption "Risk Factors" in the Memorandum, and is able to bear the economic risk of such investment, including a complete loss of capital, and in addition has not relied upon any representations made by, or other information (whether oral or written) furnished by or on behalf of, the Company, the Manager, or any director, officer, employee, agent or Affiliate of such Persons, other than as set forth in the Memorandum, the Operating Agreement and this Subscription Agreement. The Investor has carefully considered and has, to the extent it believes necessary, discussed with its own legal, tax, accounting and financial advisers the suitability of an investment in the Company in light of its particular tax and financial situation, and has determined that the Interest being subscribed for hereunder is a suitable investment for the Investor.

2.6 The Investor (either alone or together with any advisors retained by the Investor in connection with evaluating the merits and risks of a prospective investment in the Company) has sufficient knowledge and experience in financial and business matters so as to be capable of evaluating the merits and risks of purchasing an Interest, including the risks set forth under "Risk Factors and Potential Conflicts of Interest" in the Private Placement Memorandum, and is able to bear the economic risk of such investment, including the risk of a complete loss. The aggregate amount of the investments of the Investor in, and the Investor's commitments to, all similar investments that are illiquid is reasonable in relation to the Investor's net worth.

2.7 The Investor, if it is a corporation, limited liability company, trust, partnership or other entity, is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and all other jurisdictions where it is authorized to conduct business, and the execution, delivery and performance by the Investor of this Subscription Agreement and the Operating Agreement are within the Investor's corporate or other powers, as applicable, have been duly authorized by all necessary corporate

or other action on its behalf, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the Manager). This Subscription Agreement and the Operating Agreement have been duly executed and delivered by the Investor and constitute valid and binding agreements of the Investor, enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles.

2.8 If the Investor is a natural person, the execution, delivery and performance by the Investor of this Subscription Agreement and the Operating Agreement are within the Investor's legal right, power and capacity, require no action by or in respect of, or filing with, any governmental body, agency or official (except as disclosed in writing to the Manager).

2.9 The Investor is not a defined contribution plan (such as a 401(k) plan) or a partnership or other investment vehicle (i) in which its partners or participants have or will have any discretion to determine whether or how much of the Investor's assets are invested in any investment made or to be made by the Investor or (ii) that is otherwise an entity managed to facilitate the individual decisions of its beneficial owners to invest in the Company.

2.10 If the Investor is (directly or indirectly) investing the assets of an employee benefit plan or retirement plan, account or arrangement (a "Plan") that is subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of the United States Employee Retirement Income Security Act of 1974, as amended from time to time ("ERISA"), Section 4975 of the United States Internal Revenue Code of 1986, as amended from time to time (the "Code"), or any provisions of any federal, state, local, non-U.S. or other laws or regulations that are similar to those provisions contained in such portions of ERISA or the Code (collectively, "Similar Law"): (i) the decision to purchase the Interest was made by a "fiduciary" (within the meaning of Section 3(21) of ERISA) that is unrelated to the Manager or any of its employees, representatives or Affiliates and that is duly authorized to make such an investment decision on behalf of the Plan; (ii) the Plan Fiduciary has taken into consideration its fiduciary duties under ERISA or any applicable Similar Law, and has concluded that such investment is prudent; and (iii) the Investor's decision to invest in the Company is in accordance with the terms of the Plan's governing instruments and complies with all applicable requirements of ERISA, the Code and any applicable Similar Law.

2.11 If the Investor is (directly or indirectly) investing the assets of a Plan that is not subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of ERISA or the provisions of Section 4975 of the Code but is subject to the provisions of any Similar Law, the underlying assets of the Company will not constitute "plan assets" of such Plan under the provisions of any such Similar Law.

2.12 If the Investor constitutes a partnership, grantor trust or S-corporation for United States federal income tax purposes, either (i) less than substantially all of the value of the interest of each beneficial owner (direct or indirect) in the Investor is attributable to the Investor's Interest in the Company within the meaning of Treasury Regulation Section 1.7704-1(h)(3) or (ii) permitting the Company to satisfy the

100-partner limitation under Treasury Regulation Section 1.7704-1(h)(1)(ii) is not a principal purpose of the Investor's beneficial owners' investing in the Company through the Investor.

2.13 The Investor was offered the Interest in the state or locality identified in response to Question 1 of the Investor Data Sheet (contained in the KYC booklet) under the heading "Principal Place of Business of Investor," and the Investor intends that the securities laws of that state or locality shall govern the Investor's subscription of the Interest.

2.14 The Investor is not subscribing for the Interest as a result of or subsequent to (i) any advertisement, article, notice or other communication published in any newspaper, magazine or similar medium or broadcast over radio, television or the Internet or (ii) any seminar or meeting whose attendees have been invited by any general solicitation or general advertising.

2.15 Any capital contributions made by the Investor to the Company shall not directly or indirectly be derived from activities that may contravene any applicable laws and regulations, including anti-money laundering laws and regulations.

2.16 The Investor represents and warrants that, to the best of its knowledge, none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) bears a name that appears on the List of Specially Designated Nationals and Blocked Persons maintained by the U.S. Office of Foreign Assets Control ("OFAC") from time to time; (B) is a foreign shell bank; or (C) resides in or whose subscription funds are or will be transferred from or through an account in a non-cooperative jurisdiction. The Investor agrees to notify promptly the Manager or the person appointed by the Manager to administer the Company's anti-money laundering program, if applicable, of any change in information affecting this representation and covenant.

2.17 The Investor has conducted due diligence and based on such due diligence reasonably believes that none of: (i) the Investor; (ii) any Person controlling or controlled by the Investor; (iii) if the Investor is a privately held entity, any Person having a beneficial interest in the Investor; (iv) if the Investor is not the beneficial owner of all of the Interest, any Person having a beneficial interest in the Interest; or (v) any Person for whom the Investor is acting as agent or nominee in connection with this investment in the Interest: (A) is a senior foreign political figure, any member of a senior foreign political figure's immediate family or any close associate of a senior foreign political figure; (B) resides in, or is organized or chartered under the laws of, a jurisdiction that has been designated by the U.S. Secretary of the Treasury under Section 311 or 312 of the USA PATRIOT Act as warranting special measures due to money laundering concerns; or (C) neither the Investor nor any of its "beneficial owners" (as defined in Title 31 of the U.S. Code of Federal Regulations ("31 CFR") §103.175(b)) is, or will contribute subscription funds that originate

from, or will be or have been routed through, an account maintained by a “foreign bank” (as defined in 31 CFR §103.11(o)) or a “foreign shell bank” (as defined in 31 CFR §103.175(i)).

2.18 If the Investor is purchasing the Interest as agent, representative, intermediary/nominee or in any similar capacity for any other person, or is otherwise requested to do so by the Manager, it shall provide, upon request, a copy of its anti-money laundering policies, procedures and controls (together, the “AML Policies”) to the Manager.

2.19 The provisions of the Foreign Account Tax Compliance Act were enacted on 18 March 2010 as part of the Hiring Incentive to Restore Employment Act (“FATCA”). It includes provisions under which the Manager as a Foreign Financial Institution (“FFI”) may be required to report to the U.S. Internal Revenue Service (“IRS”) certain information about Interests held by U.S. persons for the purposes of FATCA or other foreign entities subject to FATCA and to collect additional identification information for this purpose. FFIs that do not enter into an agreement with the IRS and fail to comply with the FATCA regime could be subject to 30% withholding tax on any payment of U.S. source income as well as on the gross proceeds deriving from the sale of securities generating U.S. income for the Fund.

2.20 The Fund is obliged to comply with the provisions of FATCA under the terms of the Foreign Account Tax Compliance Act Model 1 Intergovernmental Agreement (“IGA”) that has been signed between the Government of the foreign government and the Government of the United States of America and under the terms of relevant foreign government legislation implementing the IGA when introduced rather than under the U.S. Treasury Regulations implementing FATCA.

2.21 To comply with its FATCA obligations, the Fund may be required to obtain certain information from Investors so as to ascertain its U.S. tax status. If the Investor is a specified U.S. person under the provisions of FATCA, U.S. owned non-U.S. entity, non-participating FFI or does not provide the requisite documentation, the Fund will need to report information on these Investors to the Foreign Regulator, in accordance with applicable laws and regulations, which will in turn report this to the U.S. Internal Revenue Service.

2.22 Investors should note that it is the existing policy of the Manager that Interests are not being offered or sold for the account of U.S. Persons for the purposes of FATCA and that subsequent transfers of Interests to such U.S. Persons are prohibited.

2.23 In addition, the Investor covenants and agrees to: (i) promptly provide, and update periodically, at any times requested by the Manager, any information, representations, documentation, certification or forms (or verification thereof) relating to the Investor (or its direct or indirect owners or account holders, as applicable) the Manager deems necessary to comply with any requirement imposed by FATCA and any associated implementing legislation or regulations in order to reduce or eliminate withholding taxes.

2.24 This Subscription Agreement is not transferable or assignable by the Investor without the prior written consent of the Manager.

2.25 The Investor agrees that the foregoing representations and warranties will be deemed to be reaffirmed by the Investor at any time the Investor purchases or otherwise acquires additional Interests of the Company and such purchase or acquisition will be evidence of such reaffirmation.

3. Representations and Warranties of the Company and the Manager

The Company and the Manager hereby represent and warrant to the Investor that:

3.1 The Company is duly organized and validly existing as a limited liability company under the laws of the State of Nevada and has all requisite power and authority to carry on its business as now conducted and as proposed to be conducted as described in the Memorandum. The Manager is duly organized and validly existing as a limited liability company under the laws of the Nevada and has all requisite limited liability company power and authority to act as Manager of the Company and to carry out the terms of this Subscription Agreement and the Operating Agreement.

3.2 The execution and delivery of this Subscription Agreement have been duly authorized by all necessary action on behalf of the Company. This Subscription Agreement constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms.

3.3 Neither the Company nor anyone acting on its behalf has taken or will take any action that would subject the issuance and sale of the Interests to the registration requirements of the Securities Act or any state securities laws.

3.4 Assuming the accuracy of the representations and warranties of the Class B Members, the Company is not required to register as an “investment company” under the Investment Company Act.

3.5 The Company will not make an election pursuant to Treasury Regulations Section 301.7701-3 to be treated as an association taxable as a corporation for federal income tax purposes.

4. Understandings

The Investor hereby understands, acknowledges and agrees with the Company and the Manager as follows:

4.1 The information contained in the Memorandum is confidential and non-public, and all such information shall be kept in confidence and not disclosed to any third person (other than the Investor’s advisers or representatives) for any reason, except to the extent required by applicable law or administrative or judicial process.

4.2 The Investor agrees to provide promptly such information and execute and deliver such documents as may be necessary to comply with any and all laws and regulations to which the Company may be subject.

4.3 The Interests have not been approved or disapproved by the United States Securities and Exchange Commission (the “SEC”) or by any other federal, state or foreign securities commission or regulatory authority, and none of the foregoing authorities has confirmed the accuracy or determined the adequacy

of the Memorandum or this Subscription Agreement. Any representation to the contrary is a criminal offense.

4.4 The Interests are speculative investments and involve a high degree of risk. There is no public market for the Interests, and no such public or other market is expected to develop. The transferability of the Interests is substantially restricted both by the terms of the Operating Agreement and applicable law.

4.5 The Investor understands and agrees that in order to ensure compliance under applicable anti-money laundering laws and regulations, the Manager may require a detailed verification of the identity of a Person applying for an Interest.

4.6 The Investor covenants and agrees that it shall provide the Manager, at any time during the term of the Company, with such information as the Manager determines to be necessary or appropriate to (i) verify compliance with the anti-money laundering regulations of any applicable jurisdiction or (ii) respond to requests for information concerning the identity of the Investor from any governmental authority, self-regulatory organization or financial institution.

4.7 The Investor understands and agrees that if any of the representations and warranties set forth in Section 2 ceases to be true or if the Company no longer reasonably believes that it has satisfactory evidence as to their truth, notwithstanding any other agreement to the contrary, the Company may be obligated to freeze the Investor's investment.

4.8 The Investor certifies under penalties of perjury that (i) (A) the Investor's name, taxpayer identification or social security number (if applicable) and address provided in the Investor Data Sheet are correct and (B) the Investor has completed and returned with this Subscription Agreement the appropriate IRS Form(s) (W-9, W-8BEN, W-8IMY, W-8ECI or W-8EXP).

4.9 In connection with any borrowings by the Company, the Investor hereby agrees to deliver promptly to the Manager such financial information as is reasonably requested by the Manager or the lender providing such financing.

4.10 If the Investor is (directly or indirectly) investing the assets of a Plan that is subject to Title I of ERISA, Section 4975 of the Code or any Similar Law, the Investor hereby acknowledges and agrees that, in the event the Manager forms an entity through which the Investor will make its investment in the Company, by making a capital contribution to such entity, the Investor shall be deemed to (i) direct the managing entity of such entity to invest the amount of such capital contribution in the Company and (ii) acknowledge that, during any period when the underlying assets of such entity are deemed to constitute "plan assets" under ERISA, the Code or any Similar Law, the managing entity of such entity will act as a custodian with respect to the portion of the assets of such entity that are deemed to be assets of the Plan but is not intended to be a fiduciary with respect to such assets for purposes of ERISA, the Code or any Similar Law.

4.11 If the Investor is (directly or indirectly) investing the assets of a Plan that is subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of ERISA, the Investor hereby appoints (or a named

fiduciary of the Plan has appointed) the Manager as an “investment manager” (as defined in Section 3(38) of ERISA) and a “fiduciary” (as defined in Section 3(21) of ERISA) with respect to the portion of the assets of the Company deemed to be assets of such Plan.

4.12 If the Investor is (directly or indirectly) investing the assets of a Plan that is subject to the fiduciary responsibility provisions of Part 4 of Subtitle B of Title I of ERISA, then in the event that the assets of the Company are deemed to include “plan assets” of such Plan under Section 3(42) of ERISA or the U.S. Department of Labor “plan asset” regulations, 29 CFR Section 2510.3-101 (the “DOL Regulations”), the Investor hereby appoints (or a named fiduciary of the Plan has appointed) the Manager as an “investment manager” (as defined in Section 3(38) of ERISA) and a “fiduciary” (as defined in Section 3(21) of ERISA) with respect to the portion of the assets of the Company deemed to be assets of such Plan.

5. Grant of Power of Attorney

5.1 The Investor, to the fullest extent not prohibited by applicable law, hereby severally makes, constitutes and appoints the Manager as its true and lawful representative and attorney-in-fact, in its name, place and stead, to make, execute, sign, acknowledge and deliver or file (i) a certificate of formation (the “Certificate”) and any other instruments, documents and certificates which may from time to time be required by any law to effectuate, implement and continue the valid and subsisting existence of the Company and the Alternative Investment Vehicles, Parallel Funds and or Feeder Funds, (ii) any amendment to, modification to, restatement of, or cancellation of the Certificate, (iii) any duly enacted amendment to the Operating Agreement, (iv) all instruments, deeds, documents, agreements and certificates that may be required to effectuate the dissolution, liquidation, winding-up and termination of the Company in accordance with the provisions of the Operating Agreement and the law of the State of Nevada.

5.2 The Investor is aware that the terms of the Operating Agreement permit certain amendments to the Certificate and the Operating Agreement to be effected and certain other actions to be taken by or with respect to the Company, in each case with the approval of or by the vote of less than all the Partners.

5.3 The Investor hereby empowers each attorney-in-fact acting pursuant hereto to determine in its sole discretion the time when, purpose for and manner in which any power herein conferred upon it shall be exercised, and the conditions, provisions and covenants of any instruments or documents which may be executed by it pursuant hereto.

5.4 The foregoing grant of authority is a special power of attorney coupled with an interest in favor of the Manager and as such shall (i) survive the dissolution, termination or bankruptcy of the Investor granting the same or the transfer of all or any portion of such Investor’s interest in the Company and (ii) extend to such Investor’s successors, assigns and legal representatives.

6. Indemnification

6.1 The Investor shall indemnify and hold harmless the Company, the Manager, the Investment Manager and each officer, director, member, manager, employee, Affiliate, agent or control person of the Company, the Manager or the Investment Manager (“Company Indemnitees”) from and against any and all expenses, losses, claims, damages, liabilities and actions, suits or proceedings (whether civil, criminal, administrative or investigative and whether such action, suit or proceeding is brought or initiated by the Company or a third party) that are incurred by or threatened, pending or completed against the Company Indemnitees or any of them (including, without limitation, legal fees and expenses, judgments, fines and amounts paid in settlement) based upon, resulting from or otherwise in respect of (i) any actual or alleged misrepresentation or misstatement of facts, or omission to represent or state facts, by or on behalf of the Investor concerning the Investor.

6.2 The reimbursement and indemnity obligations of the Investor under this Section 6 shall survive the Closing Date applicable to the Investor and shall be in addition to any liability that the Investor may otherwise have (including, without limitation, liabilities under the Operating Agreement) and shall be binding upon and inure to the benefit of any successors, assigns, heirs or legal representatives of any Company Indemnitees and the Company.

7. Miscellaneous
